

Excluded Employees' Handbook

Government of the
Northwest Territories

April 1, 2021 – March 31, 2023

INTRODUCTION

The purpose of the Excluded Employees' Handbook is to describe the terms and conditions of your employment as an excluded employee with the Government of the Northwest Territories (GNWT).

Excluded employees are those employees who are not represented by the Union of Northern Workers or the Northwest Territories Teachers' Association and are not Senior Management.

These terms and conditions of employment are established by the *Public Service Act*, the *Public Service Act Regulations*, and policies of the Executive Council as amended from time to time. It is a term and condition of your employment that changes to the *Public Service Act*, *Public Service Act Regulations* and policies of the Executive Council amend the terms and conditions of your employment on their effective date. Those authorities prevail if there is any discrepancy between them and the information in this Handbook. The Handbook will be updated periodically as changes are made. Subject to the foregoing, the terms of employment in this handbook are effective April 1, 2021 unless another date is expressly stated.

The Human Resource Manual has operational rules and guidelines for these terms and conditions of employment. If you have any specific questions you should direct them to the Human Resource Service Centre in your region.

The Human Resource Manual and information on your applicable benefits can be accessed on the GNWT website at:

You must ensure you are familiar with and adhere to the GNWT policies entitled "E-mail Use Policy, Internet Use Policy, and Mobile Handheld Device Policy understanding that if you fail to abide by the terms and conditions of these policies, you may be subject to disciplinary action, up to and including dismissal.

AFFIRMATIVE ACTION

The Government is committed to achieving a representative workforce. When the Government hires, people belonging to certain designated groups are given priority. The priority ranges from #1 (highest) to #4 (lowest). There are different priorities depending on the type of job.

For management and non-traditional jobs, the priorities are:

- 1a. Indigenous Aboriginal female persons
- 1b. Indigenous Aboriginal male persons

EXCLUDED EMPLOYEES' HANDBOOK

2. Resident women
3. Indigenous Non-Aboriginal persons or Resident Disabled persons
4. All other applicants

For all other jobs, the priorities are:

1. Indigenous Aboriginal persons
2. Indigenous Non-Aboriginal persons or Resident Disabled persons
3. All other applicants

Indigenous Aboriginal Persons are those persons who are descendants of the Dene, Inuit or Métis people, indigenous to the present boundaries of the Northwest Territories and include any aboriginal persons resident at birth pursuant to Section 7.1 of the *Vital Statistics Act* and any Canadian aboriginal persons who have lived more than half of their lives in the Northwest Territories.

Indigenous Non-Aboriginal Persons are non-aboriginal persons born in the Northwest Territories or who have lived more than half their lives in the Northwest Territories.

Resident Women are women who are living in and have lived in the Northwest Territories for at least one year immediately prior to applying on a competition.

Resident Disabled Persons are persons who are living in and have lived in the Northwest Territories for at least one year immediately prior to applying on a competition and who are at a disadvantage because of a medically certified learning, mental, emotional, or physical disability where the disability handicaps the person in taking advantage of employment, training and career advancement opportunities. A person without such a disability would not encounter these difficulties.

Physical disabilities may be visible or non-visible. They may include any degree of paralysis, amputation, lack of physical co-ordination, blindness or visual impairment, deafness or hearing impairment, muteness or speech impairment, or physical reliance on a guide dog, a wheelchair or other appliances or devices. Learning, mental or psychiatric disabilities may include learning or comprehension incapacities, which are significant and persistent but permit the disabled individual to carry out duties and perform tasks in a reliable manner under a reasonable amount of supervision.

For these purposes, Management Positions are positions within the Senior Management Group including Deputy Ministers, Assistant Deputy Ministers, Superintendents, Directors and Chief Executive Officers, where all the positions included in this group are determined by the Department of Finance.

Non-Traditional Occupations are occupations where 70% or more of the incumbents are male and there are ten or more incumbents in an occupational category or sub-group as determined by the Department of Finance.

EXCLUDED EMPLOYEES' HANDBOOK

You can only include yourself in one priority group. For example, you will not get extra consideration for being an aboriginal, resident female.

DISCRIMINATION/HARASSMENT

The Government is committed to providing a workplace free of discrimination, interference, restriction, harassment or coercion exercised or practiced with respect to any employee by reason of age, sex, race, colour, creed, national or ethnic origin, marital status, family status, sexual orientation, gender identity, gender expression, disability, conviction for which a pardon has been granted, religious or political affiliation, or any other grounds proscribed by applicable legislation.

A discriminatory employment practice is one in which an employer:

- refuses to employ or continue to employ any individual on any ground or grounds listed above; or
- in the course of employment, differentiates adversely in relation to an employee on any ground or grounds listed above.

It is not a discriminatory practice to have a special program, for example, the Government Affirmative Action Program, which is designed to correct historical disadvantages.

Harassment Free and Respectful Workplace Policy

As set out in the Harassment Free and Respectful Workplace Policy, the Government recognizes the diversity of the Public Service and is committed to providing a work environment where all individuals are treated with fairness, dignity and respect. The Government endeavours to have a workplace free from personal harassment, sexual harassment, and the abuse of authority.

Harassment includes any improper conduct, comment or display directed at another employee and that a reasonable person would know is unwelcome. It comprises objectionable conduct, comment or display made on either a one-time or continuous basis, that demeans, belittles, or causes personal humiliation or embarrassment to an employee. Harassment includes a poisoned environment where offensive conduct or comments, not necessarily directed at anyone in particular, are pervasive, and have a negative effect on morale.

Sexual harassment means any conduct, comment, gesture or contact of a sexual nature, whether on a one-time basis or in a continuous series of incidents that might reasonably be expected to cause offence or humiliation to any employee; or that the employee might

EXCLUDED EMPLOYEES' HANDBOOK

reasonably perceive as placing a condition of a sexual nature on employment or on an opportunity for training or promotion.

Abuse of Authority is a form of harassment which occurs when an individual improperly uses the power and authority inherent in their position to endanger an employee's job, undermine the performance of that job, threaten the economic livelihood of the employee, or in any way interfere with or influence the career of the employee. It includes intimidation, threats, blackmail or coercion.

PROBATION

Probationary periods are an opportunity to learn if you are suitable for the position to which you have been appointed.

Your probationary period begins on the first day in your position and lasts:

- six months, if you are transferred or promoted to another position in the Public Service
- six months if you are transferred or appointed to a position below Pay Range 13
- one year if you are appointed to a position at or above Pay Range 13.

Employees are not required to serve additional probationary periods when appointed to a position which has the same duties as the previous position.

Extension of a probationary period may be approved at the Superintendent/Director level.

SALARY

You are paid based on the point value of your job, as determined by the Korn Ferry Job Evaluation System (formally known as Hay). Hourly salaries for each point range are included in Appendix A.

If you are hired within two (2) years of your last date of employment with the Employer to perform the same duties, you shall be paid at the same step as you were being paid when you ceased to be an employee. This does not apply to casual employees.

If you are a newly appointed employee or are the successful employee in a competition for a new job, you will be placed on step 2 of the applicable pay range of your position if you have two (2) years of directly related experience to the responsibilities of the new job; at step 3 if you have more than two (2) but less than four (4) years of directly related experience

EXCLUDED EMPLOYEES' HANDBOOK

to the responsibilities of the new job; and step 4 if you have more than four (4) years of directly related experience to the responsibilities of the new job.

Pay increments are granted in recognition of service and good performance.

Pay increments, which are recommended by the Deputy Head, shall be granted the first day of the month of the employee's initial appointment.

Salary increment dates for employees on education leave or leave without pay are postponed until 12 months of full-time work from the previous pay increment have been completed.

Salary is paid every other week. Your bi-weekly salary is calculated by multiplying your base salary (hourly rate in Appendix A) by the number of hours you are scheduled to work in a two-week period (75 or 80). Upon initial hire, one week of your base salary will be withheld and you will be paid one week in arrears until the termination of your employment.

Pay for Performance

If your contributions and achievements during the year are outstanding, you may receive:

- A one-time Pay for Performance bonus of up to a maximum of 3.5% to reflect the degree to which expected levels of achievements and contributions are exceeded as provided for in the Performance Development Program.

Except in exceptional circumstances, Pay for Performance will not be awarded where the employee does not have a completed performance appraisal for the applicable fiscal year.

Responsibility Allowance

Employees receive a responsibility allowance for temporarily performing the duties of a higher position.

When you are required to temporarily perform the duties of a position at a higher pay range:

- for five (5) days or less, you will receive a responsibility allowance equal to 10% of your base salary;
- for more than five (5) days, you will receive a responsibility allowance equal to 12% of your base salary.

If your increment falls within the acting period, it will be applied in the acting category.

EXCLUDED EMPLOYEES' HANDBOOK

Membership Fees

The Employer shall reimburse an employee or on behalf of the employee, pay for membership, registration, licensing or certification fees to an organization, governing body, or government agency when the payment of such fees is a requirement for the performance of the duties of the employee's position.

HOURS OF WORK

The standard hours of work for employees are either 8 hours a day (40 hours a week) or 7.5 hours a day (37.5 hours a week). This is usually worked between 08:00 or 08:30 and 17:00, Monday to Friday inclusive. There is a paid 15-minute break in the morning and a paid 15-minute break in the afternoon.

Employees in some occupational groups are required to work shifts where their days of rest may be other than Saturday and Sunday, or their hours may be other than the standard hours.

You must make every reasonable effort to notify your supervisor at your regular start time if you are unable to report for work for whatever reason. You must provide reasonable notification and get approval from your supervisor for any anticipated absence from your workplace.

If you are absent without approval, you may be subject to disciplinary action, and a deduction from your pay may be made.

Shift Work

The Government sets up a regular schedule of hours of work for employees in occupational groups that require shift work. A master weekly shift schedule will be posted 14 days in advance to cover the work area's shift requirements for 28 calendar days.

You will be granted alternate weekends off as often as reasonably possible. If you are working for a third consecutive weekend, you will be paid the overtime rate for that weekend and any subsequent consecutive weekends afterwards. This does not apply to employees who are hired exclusively to work weekends or who request to exchange shifts with other employees to work weekends.

The Government will make every reasonable effort to schedule your shifts to allow you to regularly attend educational courses.

EXCLUDED EMPLOYEES' HANDBOOK

If you are scheduled to work between midnight and 06:00 or are required to travel during these hours to perform overtime work, the Government will provide transportation or the cost of commercial transportation between your home and the workplace.

Employees may exchange shifts with management approval.

Standby

Standby is where you must be available during off duty hours and have been placed on standby status. You will be paid one hours pay at your base salary for each eight (8) consecutive hours or portion thereof that you are on standby. If you are on standby on a day of rest or a designated paid holiday, you will be paid one and one-half hours pay at your base salary for each eight (8) consecutive hours or portion thereof that you are on standby.

When you are on standby and you are required to return to the workplace, you will be paid at the appropriate overtime rate with a minimum of four hours pay at the straight time rate. Each following call to report to work during the same eight-hour period will be at the appropriate overtime rate for the actual hours worked.

When you report to work during standby, and are required to use transportation services other than the normal public transportation service, you will be paid the actual cost of commercial transportation each way. You must provide receipts for payment of transportation costs over ten dollars (\$10). If you use your personal motor vehicle, you will be paid the appropriate distance rates specified in the Duty Travel Section of this handbook.

When you are on standby and you are required to work by responding by phone, email or other electronic means and are not required to return to the workplace, you will be compensated at the greater of:

- One (1) hour at the straight time rate; or
- Compensation at the applicable overtime rate for time worked.

The minimum one hour payment applies only once during each sixty minute period.

The minimum payment of one hour at the overtime rate, as specified in the Overtime section of this handbook, does not apply.

If you are on standby, you are not entitled to Call-Back Pay.

Call-Back Pay

Call-Back is when you are recalled by the Employer to a place of work for a specific duty. You will be compensated the greater of:

EXCLUDED EMPLOYEES' HANDBOOK

- Compensation at the appropriate overtime rate; or
- Compensation equivalent to four (4) hours pay at the straight-time rate.

When you report to work as a Call-Back, and are required to use transportation services other than the normal public transportation service, you will be paid the actual cost of commercial transportation each way. You must provide receipts for payment of transportation costs over ten dollars (\$10). If you use your personal motor vehicle, you will be paid the appropriate distance rates specified in the Duty Travel Section of this handbook.

If you are required to work during off duty hours by responding by phone, email or other electronic means and are not required to return to the workplace, you will be compensated at the greater of:

- One (1) hour at the straight time rate; or
- Compensation at the applicable overtime rate for time worked.

The minimum one hour payment applies only once during each sixty minute period.

The minimum payment of one hour at the overtime rate, as specified in the Overtime section of this handbook, does not apply.

If you receive pay under this article, you are not entitled to Standby Pay.

Shift Premium

If you are regularly scheduled to work outside of the normal hours of work (08:00 to 17:00) you will be paid \$2.50 an hour for all regularly scheduled hours worked between 16:00 and midnight; and \$2.50 an hour for all regularly scheduled hours worked between midnight and 08:00.

You will also be paid shift premium for all overtime hours worked immediately before and after the regularly scheduled hours above, but not for other overtime hours.

Weekend Premium

If you are regularly scheduled to work on weekends, you will be paid an additional premium of \$2.50 per hour for all regularly scheduled straight-time hours worked on Saturdays and Sundays.

You will not be paid the weekend premium for overtime hours.

Standard Work Schedules include a 7.5 or 8-hour workday with the work being performed between 08:00 and 17:00, five days a week, Monday to Friday.

EXCLUDED EMPLOYEES' HANDBOOK

Non-Standard Work Schedules

To enable employees to accommodate their personal circumstances, family obligations and responsibilities, the Government may agree to alter the standard work schedule if operational requirements permit and there is no cost to the Government.

Non-Standard Work Schedules may include:

- **Employee Scheduled Work:** Work performed during hours other than those set out in a standard work schedule. The daily hours may vary.
- **Flex Time:** Allows employees to work a 7.5 or 8 hour day with assigned core hours and flexible daily start and finish times within limits established by management.
- **Compressed Work Week:** Permits employees to work longer than 7.5 or 8 hours a day and bank the extra time worked to allow future "time off".

A request for a non-standard work schedule must be initiated by the employee and approved by the Director.

Video Display Terminal Break

If you are required to work regularly with a video display terminal, you may take a ten-minute break away from the video display terminal after each hour of continuous operation. These breaks are not to be construed as the regular morning or afternoon coffee break.

Job Share Employees

Two employees may seek approval to share the hours of one full-time position. A work schedule is developed by the supervisor and the employees. Each employee is treated as a part-time employee and all benefits are pro-rated except for medical transportation assistance, dental and other medical insurance plans.

The job share arrangement can be terminated at any time by the employees or the supervisor with reasonable notice. If only one of the employees wishes to terminate the agreement, there will be a one-month period in which to find a replacement.

Job share employees are entitled to removal on initial appointment and ultimate removal assistance except where you receive assistance to return to your point of hire and back to the community of employment after each rotation the following will apply:

- No ultimate removal or removal on initial appointment will be provided. However, transportation costs including meals and interim lodging en route plus cost for

EXCLUDED EMPLOYEES' HANDBOOK

shipment of two hundred and twenty five (225) kilograms of luggage for you and each of your dependents will be provided for each rotation.

- A rotation in this case is considered to be your move to your place of employment and your move from your place of employment before and after each period of job share service.

Part-Time Employees

Part-time employees are eligible for all benefits set out in this Handbook on a pro-rated basis. This includes northern allowance.

Part-time employees who work 12 or more hours per week are required to contribute to the Superannuation Plan. They are eligible to join the Public Service Health Care Plan if they work for more than 3.5 hours a day or 17.5 hours a week, and are paid more than \$900 per year.

If a part-time employee works more than one-third of the normally scheduled full-time hours for their occupational group, they are eligible to participate in the Public Service Management Insurance Plan and they must take Long Term Disability Insurance coverage.

Casual Employees

Casual employees are hired for a specific period to do work of a temporary nature. The work term is usually less than six months. Casual employees who have service that has not been broken by more than 30 working days will be deemed to have continuous service. Pay ranges are set out in Appendix A. Other terms and conditions of employment for casual employees are set out in the Human Resource Manual.

Overtime

To deliver programs effectively, departments may need work to be done outside of scheduled working hours. The Public Service Regulations provide that a Deputy Head may require an employee to work more than his or her daily or weekly standard hours or on a holiday where, in the Deputy Head's opinion, the workload so requires.

Your supervisor must authorize overtime in advance.

You are entitled to overtime compensation for each completed 15 minutes of overtime worked subject to a minimum payment of one (1) hour at the overtime rate.

Overtime is compensated as follows:

EXCLUDED EMPLOYEES' HANDBOOK

- One and a half (1 ½) times your base salary for all hours worked; and
- Two (2) times your base salary for all hours worked after the first four (4) consecutive hours of overtime; and
- Two (2) times your base salary for all hours worked on the second or subsequent day of rest providing the days of rest are consecutive.

Your supervisor will make every reasonable effort to assign overtime work equitably and to give you reasonable notice. This is subject to operational requirements.

You may, for cause, refuse to work overtime. Your refusal must be in writing. Participation in a business or outside employment is not a reasonable ground for refusing to work overtime.

Instead of paying overtime, a supervisor may agree to grant lieu time in accordance with departmental policy. Lieu time is equivalent leave with pay at the appropriate overtime rate.

Work on a Designated Paid Holiday

When you are required to work on a holiday either as part of your regularly scheduled hours or as overtime, you will receive your base salary plus two (2) times your base salary.

If you don't regularly work Monday to Friday and you are required to regularly work on designated paid holidays, you will receive a designated paid holiday bank. You may take your banked hours with mutual agreement with your supervisor. Any unused banked hours will be paid out at the end of the fiscal year.

Community differences in cost of living and travel are offset by a northern allowance. This allowance is taxable. The allowance is paid every other week. The bi-weekly amount is calculated by dividing the annual allowance by 26. The rate you are paid is based on your community of employment.

This does not apply to your initial appointment to the Public Service.

All claims must be authorized and receipts provided.

Duplicate Costs on Initial Appointment

In some cases, there will be duplicate costs because you cannot sell or rent a single family dwelling before your relocation. Duplicate costs for up to three months from the date of appointment may be reimbursed. Reimbursement will be the lesser of:

- the monthly mortgage payment (principal and interest) on your old residence; and
- the payment for your new residence.

This only applies to your initial appointment to the Public Service.

All claims must be authorized and receipts provided.

Cost of Breaking Lease

You will be reimbursed for the cost of fulfilling the terms of tenancy of leased premises at your former place of duty.

The maximum payment is for three months.

Limitations

A move cannot be made without the prior approval of the Employer.

The daily maximum reimbursement for accommodation in a private home is \$11 for the employee and \$3 for each dependent.

Reimbursement shall be limited to costs, which would have been incurred if the move had been carried out in the most practical and economic manner.

In exceptional circumstances, additional expenses may be approved where the expenses for meals, accommodations or other items cannot be kept within the limits. You must explain the circumstances.

EXCLUDED EMPLOYEES' HANDBOOK

You will not be paid relocation benefits if you have an established residence at your place of duty at the time of appointment.

You cannot claim the balance of any unused total weight allowance later. An exception is made if transportation problems prevent you from transporting the total weight allowance in one shipment.

Travel advances shall not exceed the established amount of your entitlement under these removal benefit provisions.

If you are a casual employee hired from outside the community in which you will be working, you will be eligible for the following relocation expenses in and out of the community:

- Airfare for you by the most economical and direct means;
- Meals and Incident Expenses as per the Duty Travel section of this handbook;

You must sign an agreement that you will remain in the GNWT's employ for a period of one (1) year in order to receive relocation expenses on initial appointment. Should you not fulfil this service commitment due to resignation, abandonment of position, rejection on probation for cause or termination for cause, you are indebted to the GNWT for the amount received pursuant to the signed agreement.

There will be reimbursement for other travel expenses where applicable. This is subject to the limits set out below.

Headquarters duty travel may be reimbursed when transportation is necessary (e.g., because of bulky documents or time constraints). The method chosen must be the most economical one under the circumstances.

You will not be paid for daily transportation expenses within your headquarters area between your home and place of duty without prior authorization.

If the total cost of your trip (including the cost of meals, accommodation and incidental expenses) exceeds the cost of the same journey by ordinary commercial means, reimbursement will be limited to the commercial cost.

Vacation leave unused upon termination will be paid at the last daily rate of pay. If the termination is due to death, the amount will be paid to your estate.

EXCLUDED EMPLOYEES' HANDBOOK

Vacation leave may be used, if your employment is terminated by lay-off, to extend the time you need to meet the minimum service requirements for severance pay, or it entitles you to an annual allowance or immediate annuity as defined under the *Public Service Superannuation Act*.

If you cease to be employed for a reason other than dismissal, abandonment of position or rejection on probation and are re-employed, completed years of prior employment with the GNWT shall be considered continuous service for the purpose of determining vacation leave entitlements (this does not apply to casuals).

Winter Bonus Days

One winter bonus day will be granted for each five consecutive days of vacation leave you take between October 1st and March 31st. When a designated paid holiday falls in a period of vacation leave, it is counted as vacation leave for determining winter bonus days.

There is a limit of four extra days for each fiscal year.

Winter bonus days must be taken at the same time as your vacation leave. There is no carry-over of these days.

Winter bonus days will be provided if the application for all vacation leave between October 1st and March 31st is denied and vacation leave continues to be denied from the date of application to March 31st. Domestic Violence Leave

The Employer recognizes that employees or their dependent child may face situations of violence or abuse in their personal life that may affect their attendance and performance at work. A “dependent child” for the purpose of this provision includes a child who does not reside with you.

Employees experiencing domestic violence or employees with a child experiencing domestic violence shall be granted leave up to ten (10) days (five (5) days paid, and five (5) days unpaid) per fiscal year to attend appointments with professionals, legal proceedings, and engage in any other necessary activities to support their health, safety and security. There shall be no carryover of unused Domestic Violence Leave from one fiscal year to the next.

This leave may be taken as consecutive or single days or as a fraction of a day, with request for approval being sought as soon as is reasonable.

Paid leave in excess of five (5) days per fiscal year for the purposes of this leave may only be granted with the Employer’s approval and such approval shall not be unreasonably denied. Excess leave granted under this provision, but not used, shall not be carried forward from one fiscal year to the next.

All personal information concerning domestic violence will be kept confidential in accordance with relevant legislation and shall not be disclosed to any other party without the employee’s written agreement.

Self-Funded Leave Plan

The Government will provide a deferred salary leave plan to allow you flexibility in your long term career and personal goals.

The plan allows you to defer 20% of your salary for four years to fund a one-year leave of absence without pay or 10% of your salary for four and one-half years to fund a six-month leave of absence without pay. In accordance with the Income Tax Regulations, you must agree to return to regular employment for no less than the period of leave.

EXCLUDED EMPLOYEES' HANDBOOK

During the period of leave, you may engage in outside activities outside the Public Service in accordance with the Code of Conduct regarding Outside Employment.

You are responsible for the employer and the employee share of pension contributions while on leave. The period of leave counts as pensionable service.

Contact your Client Service Manager responsible for your Department, Board or Agency for details of application procedures and entitlements.

EDUCATION LEAVE

Education leave is time off to undertake full-time post-secondary studies for at least one academic year at a recognized university, community college or technical institute.

An academic year is two full program semesters, completed in succession, or completed within a 12-month period.

The number of opportunities for education leave with assistance is limited. Preference is given to long-term employees at lower income levels who have limited career options. Preference is also given to Affirmative Action applicants and long-term Northwest Territories residents.

Eligibility

You must have three years of continuous service before starting education leave. This may be waived in unusual circumstances.

Education leave is only granted if there is evidence of satisfactory performance and potential for career development. A current performance review is required.

Levels of Assistance for Education Leave

Assistance includes tuition, travel and one removal in and out.

Education leave is without salary. However, allowances instead of salary may be paid:

EXCLUDED EMPLOYEES' HANDBOOK

Full Allowance

- 100% of present salary may be paid if your skills have become technically obsolete and retraining is needed to satisfactorily carry out the duties of your position.
- 100% of present salary may be paid if qualified people cannot be recruited for essential work.

Partial Allowance

- A minimum allowance equivalent to 50% of your present salary may be paid to meet an identified need rather than recruit outside the Government. The decision is based on the most economical use of existing staff to capitalize on experience, knowledge and capability.
- Recognizing that 50% of salary may prove a financial burden if you continue studies beyond a one year program, a 10% increase will be added to the allowance in each consecutive year of study, to a maximum of 80% of salary.

Assistance Without Allowance

- Assistance only, with no allowance in lieu of salary may be paid to further post-secondary education to obtain qualifications that are generally relevant to present or future requirements of the Government.

Procedures

Applications for education leave are submitted to your Deputy Head. For information regarding application guidelines and content, contact the Human Resource Service Centre in your region.

Successful applicants must sign a leave of absence agreement. Those granted education leave must sign an agreement to return to work after the leave to work for the Public Service in the Northwest Territories for a period equivalent to the leave taken.

Should you not fulfil this service commitment due to resignation, abandonment of position, rejection on probation for cause or termination for cause, you are indebted to the GNWT for the amount received pursuant to the signed agreement. Your indebtedness shall be reduced on a prorated basis.

You must submit proof of acceptance at a recognized university or community college, along with a course outline, before you go on education leave.

EXCLUDED EMPLOYEES' HANDBOOK

If you have consecutive years of education leave, you will normally be required to return for temporary work assignments between academic years. Travel costs and housing accommodation for temporary work assignments will be provided at single status only.

You do not earn leave credits while on education leave, except during periods of temporary work assignments.

Employees are not eligible to receive pay increments or economic increases while they are away from their duties on education leave.

Pension deductions will be based on the full salary for the position you held before education leave, and will be recovered from you in equal instalments over a period equal to twice as long as the absence.

Documentation and removal arrangements will be coordinated by the Employer.

Short Term Leave for Training Purposes

Your Deputy Head may grant short-term leave with or without pay to take advanced or supplementary training of less than one academic year. The leave will be based on present and future job requirements, on individual qualifications, and the needs and interest identified by the employee and the Employer.

Full or partial financial assistance and full or partial allowance may be granted if:

- your skills have become technically obsolete and you need retraining to carry out your work satisfactorily; or
- the courses are required for you to keep abreast of new knowledge and techniques in your field of work or to maintain certification; or
- qualified people cannot be recruited to carry out essential work; or
- your Deputy Head requires you to take the training; or
- where needs for training have been identified as important for individual career development with the Public Service.

If you take short term leave for training with full or partial allowance, you must return to work for a period equivalent to the leave. Should you not fulfil this service commitment due to resignation, abandonment of position, rejection on probation for cause or termination for cause, you recognize that you are indebted to the GNWT for the amount received pursuant to this provision. Your indebtedness shall be reduced on a prorated basis.

EXCLUDED EMPLOYEES' HANDBOOK

Leave Without Pay for Education Purposes

You may also be granted leave without pay (without allowance or assistance) for education purposes. Approval is needed from your Deputy Head.

Courses Taken on Personal Time

Tuition fees for courses you take on your personal time may be refunded. To qualify, you must show evidence of successful completion of the course. The course must be of value to your work, and it must not require absence from duties. You must obtain approval from your Deputy Head for reimbursement of tuition costs before you take the course.

Deputy Heads or their designate have the discretion to pay the course/tuition fees in advance. Deputy Heads or their designates have the authority to waive the requirements for an employee to reimburse the Employer for tuition/course fees paid in advance in exceptional circumstances, or if there was some overall benefit from the training initiative.

MEDICAL TRAVEL ASSISTANCE

Medical travel assistance is granted for travel from any community in the Northwest Territories, Nunavut or Yukon, for non-elective medical treatment. The coverage is for you, your spouse and dependent children. Reimbursement will be determined on a trip-by-trip basis subject to the following provisions.

Payment will not exceed:

- return transportation from the employee's residence in the NWT, Nunavut or Yukon to the nearest place where adequate treatment is available;
- 25 days hotel accommodation and meal costs, at duty travel rates. Reimbursement of these costs are not applicable to periods spent in a treatment facility;
- up to a maximum of \$50 per day for accommodation, meals and ground transportation (i.e. taxis to and from appointments) expenses for any periods beyond 25 days and not to exceed 40 days; and
- the lesser of return taxi or shuttle bus fare between the airport and the treatment centre.

You will be reimbursed for overnight hotel accommodation enroute when travel to the treatment centre is interrupted by weather or other circumstances beyond your control.

EXCLUDED EMPLOYEES' HANDBOOK

When you travel in a privately owned car and the total cost of the trip, including the per diem rate for meals, incidentals and lodging expenses, exceed the cost of the same journey by ordinary commercial means, reimbursement will be limited to the commercial cost.

Your claim must be supported by a form completed by a qualified medical practitioner certifying that medical travel is necessary as the treatment was non-elective, required for the health of the patient, and could not be provided by the facilities or services available in your community of residence. The medical practitioner submits the form to Stanton Territorial Hospital for approval.

Medical travel assistance will not be provided if a similar benefit is available through another employer. Double coverage is not available if more than one family member is employed by the Government. Every effort must be made to schedule medical appointments/procedures while on other forms of leave.

Medical Travel - Dental

The GNWT provides Medical Travel Assistance for some dental procedures; the requirements for approval for medical travel for dental procedures are narrow.

Your claim must be supported by a qualified healthcare professional or practitioner which can include a dentist, a licensed medical doctor, nurse practitioner, community health nurse or midwife stating that:

- the treatment is non-elective;
- the urgent treatment is needed immediately or the patient's health could be jeopardized; and
- the treatment could not be provided by the facilities or services available in your community.

In addition, the claim must also be approved by Green Shield, the GNWT's dental coverage provider.

Medical travel will not be covered for the following procedures:

- Routine Extraction of Wisdom Teeth
- Routine Root Canals
- Periodontal (soft tissue work, e.g., dentures)

Each medical travel claim for dental procedure must be assessed by a healthcare professional before Medical Travel is approved.

EXCLUDED EMPLOYEES' HANDBOOK

Escort

The travel expenses of a non-medical escort may be reimbursed. A qualified medical practitioner must certify that it is necessary for the patient to be accompanied by some other person.

The escort must be 19 years of age or older.

If you are the non-medical escort for an immediate family member, you may be granted special leave.

Medical Travel Leave

If you receive medical travel assistance, you may be granted medical travel leave for the lesser of four (4) days or the actual time spent away from work.

If you opt to drive rather than travel by air, medical travel leave will be limited to the time required to travel had you travelled by air.

Travel leave will not be granted for escort duty.

PERFORMANCE EVALUATION

Performance evaluations are done annually on each Government employee.

During your orientation period, you and your supervisor will meet to set objectives. The two of you continue to meet informally throughout the year to review your performance.

You and your supervisor will meet to review your performance before fiscal year end. Objectives will be assigned for the following fiscal year. You will be given an opportunity to add any comments you wish to your evaluation. This performance review will be placed in your personnel file.

Your personnel file will be made available for your examination at reasonable times in the presence of an authorized representative of the Government. You may place a document in your personnel file with your supervisor's permission.

JOB EVALUATION

Job Evaluation will be done using the Korn Ferry (formerly known as Hay) Job Evaluation System to assess the value of your position. If your position is re-evaluated while you occupy it, you will receive written notification of the evaluation result.

If you feel your position has been improperly evaluated:

- 1) Discuss the evaluation with your supervisor or a representative of management who is knowledgeable in the job evaluation system. Upon request, you will be provided with a copy of the Job Description for your position, together with the point rating and the rationale supporting the point rating assigned.
- 2) You may submit a job evaluation appeal within thirty (30) days of the date of the evaluation notification letter. At the time you submit an appeal, you may provide any documentation demonstrating you were performing new or changed duties and demonstrating you raised your concerns with your Employer.
 - This appeal will be referred to a Job Evaluation Review Board consisting of a representative of the Employer, a representative for you, and an independent Chairperson. All members of the Job Evaluation Review Board must be trained in the use of the Job Evaluation System.
- 3) The Job Evaluation Review Board may, by a majority decision, either determine that the position's evaluation is proper, or the Board may determine that the position has been improperly evaluated, and determine the proper evaluation for the position.

EXCLUDED EMPLOYEES' HANDBOOK

- 4) The majority decision of the Board is binding until such time as you have been promoted, transferred, or the job description is changed by the Employer and the position has been re-evaluated.
- 5) You may withdraw your appeal at any time.

INDEMNIFICATION

Damages or costs awarded against you in a civil action or proceeding will be paid. This includes any sum required to be paid by the settlement of any claim. The following conditions apply:

- the alleged misconduct was committed in the performance of duties;
- your conduct was not a gross disregard or neglect of your duties as an employee; and
- you have given immediate notice to the Government of the action or proceeding.

You must immediately notify your Deputy Head upon becoming aware of any act or omission that could lead to a need for legal representation or result in a claim against the Government. All information must be provided. The Government may deny indemnity if your intentional delay prejudices the defence.

The Department of Justice will provide legal representation (subject to existing insurance coverage and the prerogative of the insurer to provide counsel). The counsel may be from within the Department of Justice or otherwise, at the Government's discretion. The Government accepts full responsibility for the conduct of the action. You must co-operate fully with the appointed counsel.

GRIEVANCE PROCESS

If you have a complaint about your treatment under the *Public Service Act*, Regulations or other terms and conditions of employment, you may utilize the grievance process. Before submitting a complaint, you may seek the advice of a Human Resource Services Officer.

Step One

You must submit a written grievance to your first level of management as designated by the Government. This grievance must be submitted within 15 calendar days of your becoming

EXCLUDED EMPLOYEES' HANDBOOK

aware of the situation that has resulted in the complaint. Your grievance must describe the nature of the complaint you are making.

The person designated to hear your complaint has 21 days to meet with you, hear your grievance, decide on it and send a written copy of the decision to you.

Step Two

If you are not satisfied with the decision made, or if the complaint cannot be resolved at Step One, you may submit your grievance to your Deputy Head. You must submit this grievance within 14 days of receiving the first level decision.

The Deputy Head will have 14 days to meet with you, hear your grievance and respond to your complaint in writing.

Time lines may be extended by mutual agreement.

Medical Termination

If you are terminated as a result of a recommendation made to the Employer that you are incapable of performing your duties because of chronically poor health; and when such occurs:

- (a) you shall be paid severance pay equal to the product obtained by multiplying your weekly rate of pay on termination of employment by the number of completed years of your continuous employment to a maximum of thirty (30), less any period of continuous employment in respect of which severance pay was previously granted.
- (b) when employment is terminated under this Clause, you shall have the right to waive your entitlement to severance pay and, in lieu thereof, be granted an equivalent period of leave with pay.

Resignation

You are entitled to severance pay upon resignation if:

- you have ten or more years continuous employment;

EXCLUDED EMPLOYEES' HANDBOOK

- you give two months notice of termination (or any shorter period that the Employer may agree); and
- if the termination is for reasons other than lay-off, abandonment of position, rejection on probation or dismissal.

This severance pay is calculated as follows:

$$\frac{[\text{Weekly rate of pay on termination}] \times [(\text{completed years of continuous employment}) - (\text{previous years for which severance was paid}) \text{ to a maximum of } 26]}{\text{divided by } 2}$$

Retirement

Retirement, for severance pay purposes, means termination from the Public Service with an entitlement to an immediate unreduced annuity under the Superannuation Plan. You may take an equivalent period of leave with pay instead of severance pay.

This severance pay is calculated as follows:

$$\begin{aligned} & \text{[Weekly rate of pay on termination]} \times \\ & \text{[(completed years of continuous employment) -} \\ & \text{(previous years for which severance was paid) to a maximum of 26]} \\ & \text{divided by 2} \end{aligned}$$
